

## Basic Size Guide

Envelopes are generally either wallet or pocket style. A wallet is where the top flap is on the long edge, and a pocket is where the top flap is on the short edge.

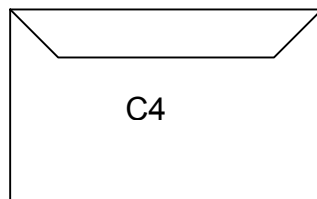

Wallet

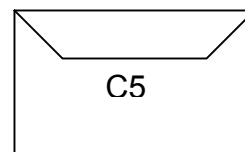

Pocket

They are measured in mm with the flap at the top, depth first and then width as indicated above.

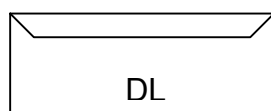

There are also a few different standard sizes that are commonly used.

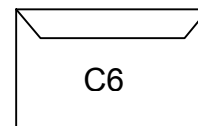

229x324mm

162x229mm

110x220mm

114x162mm

Please see our individual product sections for details of the minimum and maximum sizes we can offer you for bespoke envelopes and pockets.
